**SUBMISSION OF SUPPLEMENTAL INVENTOR DECLARATION**

Dear Sir:

The inventor declaration submitted with the present case was the original declaration from the parent case, U.S. Patent Application No. 08/505,513, now U.S. Patent No. 5,996,020, issued November 30, 1999.

The accompanying supplemental declaration is being filed in case any of the allowed claims may not have been substantially embraced in the statement of invention or claims originally presented. The allowed claims are presented for matter originally shown or described so that no new matter is added.
